Items you will need:

- Toilet Paper Roll
- Scissors
- Paint (We use Washable Tempera Paint)
- Paper

How to:

You can make many different types of stamps using TP rolls! Try folding one of the ends of the roll to make a heart, square, triangle, or other shapes.

You can also create other stamps by cutting into the TP roll.

- Using scissors, cut different designs onto the roll.
- Fold back what you cut.
- Dab your stamper into paint, and then onto your paper.

Try making many different stamps!
