

Bridge for 21 Animals

You will need:

- Small cups
- Craft sticks, color swatches (from your local paint department), or leftover cardboard from boxes
- Small animals, cars, or other figurines

Goal:

Try to create a bridge to hold at least 21 animals, cars, or other toys.

Explore More:

Can you make a long, skinny bridge?

Can you make a bridge that goes over a “river” (Tip for grown-ups: use a piece of blue paper or blue fabric to be your river)?

Can you make a pattern using your animals?
