

Playful Learning at Home!

Father's Day Card

Items you will need:

- One sheet of white paper
- Two sheets of different colored paper
 - Glue stick
 - Scissors
 - Ruler
 - Pencil
 - Markers

How to:

- Measure and cut out the white sheet of paper (5.5 x 4.25 inches).
- Measure and cut out the piece of paper which will be the jacket (5.5 x 8.75 inches). Glue the white sheet of paper onto the middle of jacket.
- Fold the jacket so it's wrapped around the white sheet of paper. Then, fold down the top corners of the jacket.
- Measure and cut out the shirt collar (1 x 4.25 inches). Fold the ends of the collar and then glue to the white piece of paper.
 - Draw, cut out, and glue a bow and pocket square.
 - Add details with markers, crayons, colored pencils, or any other art supplies you have. Add a pocket around the pocket square, buttons, and a message on the inside the card!
